

# FEBRUARY TORNADO RECOVERY TASK FORCE (FTRTF)

Let's help  
OUR NEIGHBORS!

please **DONATE IF YOU CAN**

**100% OF THE FUNDS RAISED BY FTRTF WILL GO TO THE INDIVIDUALS AND FAMILIES THAT WERE IMPACTED BY THE TORNADO.** The task force is a volunteer group who will determine need and disbursement according to the bylaws in place. These decisions will be made after insurance and other resources have been explored and exhausted.

**Lake Ridge Bank**

*ANY location, memo line: February Tornado Recovery*

**On February 8, 2024, over 30 households were damaged or destroyed by the F2 tornado that ripped through Brodhead, Evansville, Fulton, Edgerton, Albion & Lake Koshkonong.** There was no loss of human life, but there are damages of more than \$2.4 million across the area - houses, barns, livestock, outbuildings, equipment, and more. The February Tornado Recovery Task Force is receiving funds for these neighbors who will have a long road ahead of them to rebuild and recover from this disaster. There are many variables to insurance and damages, we want to make sure that all the gaps in recovery are filled. Healing will come, but we ask for your help where you can - resources, prayers, and kindness. **We are grateful for you and your generosity as we recover one day at a time.**
