

Multicultural EMERGING LEADER SCHOLARSHIP

SCHOLARSHIP OPPORTUNITY FOR EHS SENIORS

This scholarship was created to focus on BIPOC (Black, Indigenous, People of Color) and International Student leaders. We want to empower recipients by supporting the next step in their educational achievement or to help fund their entrepreneurial career. We are looking for candidates with leadership qualities, strong character, good citizenship and future potential.

please help spread the word!

"The multicultural scholarship has impacted me in meaningful ways. Growing up in a community where diversity was limited, it gave me a sense of belonging and recognition I hadn't felt before. Beyond the financial support, it opened doors to opportunities and encouraged me to embrace my identity. I'm truly grateful for the support and what it represents."
